A Line of Light, a Thread of Poetry. Tall, refined, and just slightly off-center, the Sottovoce floor lamp is a minimal gesture with maximum impact. Inspired by the quiet glow of Parisian salons, this lamp carries the poetic DNA of the entire collection: a beam of light that doesn't shout, but guides—gently and elegantly. The burnished brass frame rises effortlessly, holding a large black shade edged in red. When lit, it casts a soft, ambient light that creates islands of intimacy within a room. Ideal for living areas, lounges, or quiet spaces in need of warmth and character.
